3rd November 2020

Dear Parents/Carers,

PE lessons

As we approach the winter months please can you ensure that your child/ward is coming into school dressed in appropriate warm clothing and footwear to take part in their PE lessons outside. In addition to the new PE kit items, they may also wear base layers (white or black long sleeved tops or skins underneath their t-shirts), plain black or navy jogging bottoms (leggings or skins can also be worn underneath), a plain jumper or fleece in black or navy, water proof jackets and hats.

This is keeping in line with the latest government advice that where possible PE lessons are to continue to take place outside.

Yours faithfully,

B Wheeler
