schoolmoney

Dear Parents/Carers

18th October 2022

We are delighted to inform you that our new online payment and dinner ordering system – School Money- is now live and ready for parents to log in.

You will shortly receive a password, which you will need if you are going to use the www.schoolmoney.co.uk website. You will not need this if you are going to use the Teachers2Parents mobile app.

Attached is a parents – Hints and Tips guide. This will help you getting started on the School Money system and give details on ordering your child's school dinner.

There will also be in-depth instruction guides available on our website. www.castledon.org. From the landing page, click the school tab, select support for parents, carers and families and then school meals.

This new system is available now for you to get set up, and ordering your child's school dinners from our first day back after the half term break, on Tuesday 1st November.

If your child is in receipt of Free School Meals or Universal Free School meals, you are still required to set up this new system and order your child's meals, but you will not be charged.

Previous dinner balances held on sQuid will be transferred in the next few days.

Finally, please remember to order your child's dinner by midnight the night before.

Should you require any further assistance, please do contact the school reception on admin@castledon.org.

Yours sincerely

S Holliday
