Dear Parents/Carers

12th October 2022

We are delighted to inform you that we have recently signed up to a new online payment system called **SchoolMoney**. We will therefore no longer be using sQuid as our online payment system from **31st October 2022**. Please do not make any payments through sQuid after **Wednesday 19th October 2022**.

All balances/credits on the sQuid system will automatically be transferred to School Money. The new system will become live over the half term holiday and we will advise you when the new system is ready for you to use.

You won't need to sign up to this system as this is done automatically through the school. As long as you have provided us with up to date contact details (mobile telephone number and email address) we will send you a password by text **within the next few days**. This password will give you access to your **SchoolMoney** account where you can order your child's school dinner and pay for snacks and trips.

To log into **SchoolMoney**, visit the website www.eduspot.co.uk and click on the sign in button in the top right hand corner. In the drop down, select the **SchoolMoney Parent Login** option and this will send you through to a page where you need to enter your mobile number, email address, the password we have sent to you, and your child's first name.

You will be able to start ordering and paying for school dinners and snacks and trips once we have advised you the system is ready for you to use.

If for any reason you are struggling to log in, it may be because you have not provided us with the correct contact details. If this is the case, please let us know immediately if either your mobile number or email address changes.

We appreciate your cooperation in the early stages of rolling this system out to you and we will advise you again shortly once everything is ready for you to use.

Yours sincerely

S Holliday
