Dear Parents/Carers

19th May 2023

## Sunscreen

It is good to see the sunshine is with us for another season. Please encourage your child to wear a hat to protect themselves from the sun and bring in a named water bottle and sunscreen.

On sunny days please could you apply some cream on your child before they come to school. If your child requires support applying sun cream at school please supply a labelled sunscreen that will be kept in school and complete the slip below to give us permission to assist your child to protect their skin. It will be reapplied during the day as necessary, by themselves or with support from a member of staff.

Many thanks.
